
StocksWithZach – REFUND POLICY

Last Updated: [7/14/25]

Thank you for choosing **StocksWithZach** ("StocksWithZach," "we," "our," or "us") for your stock alert and trading insight services. This Refund Policy outlines our policies regarding returns and refunds for our subscription-based service (the "Service"). By subscribing to or using our Service, you agree to comply with this Refund Policy.

1. NO REFUNDS POLICY

Please be aware that **StocksWithZach does not offer refunds** for any subscription fees paid. Due to the nature of our Service—where customers gain immediate access to exclusive alerts, analysis, and community resources—all sales are considered **final** and **non-refundable**.

We recognize that exceptions may apply under rare circumstances. If you believe your situation warrants review, you may submit an appeal through the WHOP platform or by contacting us directly. Appeals are considered **case-by-case** and final decisions are at our sole discretion.

2. CANCELLATION OF SUBSCRIPTION

You may cancel your subscription at any time by following the instructions provided on WHOP or by reaching out to our support team. After cancellation, your subscription will remain active until the end of your current billing cycle. **No further charges** will occur after cancellation, but **no refunds** will be issued for prior charges.
