

NTTS — End User License Agreement (EULA)

Last updated: July 23, 2026

This End User License Agreement ("EULA") is a legal agreement between you and **Clickvision Inc, doing business as "The NTTS"** ("NTTS," "we," "us," or "our") governing your use of the NTTS software applications, including the NTTS mobile app and web application, and all alerts, models, content, and updates provided through them (collectively, the "Software"). By downloading, installing, or using the Software, you agree to this EULA. **If you do not agree, do not use the Software.** This EULA supplements, and is in addition to, the NTTS Terms of Service, which govern the overall Service.

1. License Grant

Subject to your compliance with this EULA and the Terms of Service, NTTS grants you a **limited, personal, non-exclusive, non-transferable, non-sublicensable, revocable license** to install and use the Software on devices you own or control, solely for your own personal, non-commercial use and only for the duration of your active subscription (where a subscription is required).

2. License Restrictions

You may **not**, and may not permit others to:

- copy, modify, or create derivative works of the Software except as expressly permitted;
- reverse-engineer, decompile, disassemble, or otherwise attempt to derive the source code, models, or algorithms of the Software, except to the limited extent applicable law prohibits this restriction;
- rent, lease, lend, sell, sublicense, distribute, or otherwise transfer the Software or your access to it;
- scrape, crawl, or use automated means to extract data from the Software;
- circumvent, disable, or interfere with security, access-control, licensing, or usage-limitation features;
- remove or alter any proprietary notices; or
- use the Software to build or train a competing product or model.

3. Alerts & Content Are Licensed, Not Sold

Alerts, scores, charts, analytics, and other content delivered through the Software are **licensed** to you for your personal use only — they are not sold to you. You may **not** redistribute, resell, republish, broadcast, forward, or otherwise share alerts or content with any non-subscriber, whether for free or for compensation. Unauthorized redistribution is a material breach of this EULA and may be a violation of our intellectual-property rights.

4. Ownership

The Software and all content, including all intellectual-property rights in the NTTS name, logo, software, and machine-learning models, are owned by NTTS and its licensors and are protected by law. Except for the limited license granted in Section 1, no rights are granted to you. All rights not expressly granted are reserved. © 2026 NTTS. All rights reserved.

5. Not Financial Advice; Trading Risk

The Software provides informational and educational decision-support tools only. **NTTS is not a broker-dealer, investment adviser, or financial planner, and the Software does not provide personalized investment advice.** Alerts and model outputs are not recommendations to buy or sell any security. Trading options involves substantial risk of loss, and past performance and model outputs are not indicative of future results. You are solely responsible for your own trading decisions and for any orders you place through a connected brokerage. See the Terms of Service for the full risk disclosure.

6. Updates

We may provide updates, upgrades, or patches to the Software from time to time, which may be applied automatically. This EULA governs any such updates unless they are accompanied by separate terms.

7. Disclaimer of Warranties

The Software is provided "as is" and "as available," without warranties of any kind, express or implied, including any implied warranties of merchantability, fitness for a particular purpose, accuracy, title, or non-infringement. NTTS does not warrant that the Software will be uninterrupted, timely, secure, error-free, or that alerts or data will be accurate, complete, or profitable.

8. Limitation of Liability

To the maximum extent permitted by law, NTTS and its officers, employees, and providers will **not** be liable for any indirect, incidental, special, consequential, or punitive damages, or for any trading or investment losses, arising out of or related to the Software, even if advised of the possibility of such damages. To the maximum extent permitted by law, our total aggregate liability under this EULA will not exceed the amount you paid for the applicable subscription (via Whop) in the twelve months preceding the event giving rise to the claim.

9. Term & Termination

This EULA is effective until terminated. It terminates automatically if you breach any of its terms, and it ends when your license to use the Software ends (for example, when your subscription lapses). Upon termination, you must stop using the Software and delete all copies within your control. Sections 3–8 and 10–12 survive termination.

10. Third-Party Stores & Apple

If you obtained the Software from a third-party app store, your use is also subject to that store's terms. In particular, if you downloaded the app from the Apple App Store, Apple's [Licensed Application End User License Agreement](#) also applies; Apple is not responsible for the Software or its content and is a third-party beneficiary of this EULA with the right to enforce it.

11. Governing Law

This EULA is governed by the laws of the **State of Alabama**, without regard to its conflict-of-laws rules, consistent with the NTTS Terms of Service. Any dispute arising out of or relating to this EULA will be brought exclusively in the state or federal courts located in Alabama.

12. Entire Agreement

This EULA, together with the NTTS Terms of Service and Privacy Policy, constitutes the entire agreement between you and NTTS regarding the Software and supersedes any prior agreements on that subject. If any provision is held unenforceable, the remaining provisions remain in effect.
