These services are made available via www.marketmindset.net, Whop, and any other platforms we may operate on (collectively, the “Platforms”). By accessing or using any of our services including but not limited to, products, courses, content, webinars, or other offerings (collectively, the “Services”), you agree to be bound by these Terms and Conditions (“Terms”). If you do not agree to these Terms, you must not use our Services.

Definition of Representatives

For the purposes of these Terms, “Representatives” includes, but is not limited to, any moderators, coaches, analysts, contractors, employees, agents, partners, or third-party contributors engaged by Market Mindset to provide Services, content, support, or community interaction.

1. No Financial Advice Disclaimer

All information, including but not limited to, content, strategies, techniques, webinars, one-to-one sessions, PDFs, digital downloads, courses, and materials provided through our Services by Market Mindset or any of its Representatives is intended for educational and informational purposes only.

- Nothing contained in our Services constitutes, or should be construed as, financial advice, investment advice, trading advice, or a recommendation to buy, sell, or hold any financial instrument.
 - This applies to all communications across Platforms, including but not limited to group chats, community channels, direct messages, live calls, webinars, and informal interactions with Representatives.
 - Any decision to act upon information provided is made solely at your own discretion, and you acknowledge that you are fully responsible for your own trading and financial decisions.
 - We recommend that you seek advice from a qualified financial advisor or professional before making any trading or investment decisions.
-

2. No Guarantee of Results

We make no representations, warranties, or guarantees of any kind, express or implied, regarding your potential results, earnings, outcomes, or experiences from applying any information, tools, or strategies provided through our Services.

- Past performance is not indicative of future results.
- Trading and investing involve significant risk of financial loss and are not suitable for all individuals.

You accept full responsibility for evaluating your own trading and financial activities, decisions, and risks.

3. Positive Statements and Affirmations Disclaimer

As part of our Services, Market Mindset and its Representatives may from time to time make statements of a positive, motivational, or affirming nature — such as predictions, affirmations, or expressions of belief in your future success (e.g., “You’re going to have an amazing week” or “Success is on its way to you”).

These statements are intended solely as motivational content, expressions of personal belief, or encouragement and do not constitute financial advice, professional guarantees, or promises of specific results.

You acknowledge and agree that such affirmations are subjective, non-binding expressions and hold no contractual, advisory, or actionable weight.

4. No Client Relationship

Your use of our Services does not create any fiduciary, advisory, or client-professional relationship between you and Market Mindset or its Representatives, including Navroop Sandhu (@navstrades). The information provided is general and educational in nature.

5. User Eligibility

By using our Services, you confirm that:

6. Limitation of Liability

To the fullest extent permitted by law:

- Market Mindset, its founder, affiliates, officers, employees, agents, licensors, and all Representatives will not be liable for any direct, indirect, incidental, consequential, or punitive damages, including without limitation, financial losses, lost profits, trading losses, opportunity costs, or data loss arising out of or in connection with your use of any of our Services.
- You agree that any claim must be brought solely against Market Mindset as an entity, and not against any individual Representative in their personal capacity.

You agree to indemnify and hold harmless Market Mindset and its Representatives, including Navroop Sandhu (@navstrades), from any claims, liabilities, damages, costs, and expenses (including legal fees) arising out of your use of the Services or your violation of these Terms.

9. Intellectual Property

All content provided through our Services — including but not limited to course materials, webinar recordings, one-to-one session content, PDFs, digital downloads, frameworks, text, graphics, logos, and branding — is the intellectual property of Market Mindset and is protected by copyright and other intellectual property laws.

- No part of the Services may be copied, reproduced, republished, distributed, sold, or exploited without our prior written consent.

10. Governing Law and Jurisdiction

These Terms shall be governed by and construed in accordance with the laws of England and Wales.

- Any disputes arising out of or in connection with these Terms, including non-contractual disputes or claims, shall be subject to the exclusive jurisdiction of the courts of UAE, regardless of your country of residence or from where you access our Services.
-

11. Dispute Resolution

In the event of any dispute or claim arising from or in connection with these Terms or the use of our Services, both parties agree to attempt to resolve the matter amicably through mediation. If mediation is unsuccessful, the dispute may be resolved through binding arbitration, in accordance with the laws of UAE.

You agree to attempt to resolve disputes in good faith prior to pursuing formal legal action, and Market Mindset agrees to the same.

12. Severability

If any provision of these Terms is found to be invalid or unenforceable by a court of competent jurisdiction, the remaining provisions shall remain in full force and effect.

13. Entire Agreement

These Terms constitute the entire agreement between you and Market Mindset in relation to the Services and supersede any prior understandings, representations, or agreements, whether oral or written.

14. Amendments

We reserve the right to amend, update, or modify these Terms at any time without prior notice. The updated Terms will be effective upon posting on www.marketmindset.net, our Whop page, or other relevant platforms. Your continued use of the Services constitutes your acceptance of any such changes.

15. Community Contributions and Moderator Disclaimer

As part of the Services, you may receive input, feedback, or communication from Representatives, including moderators, coaches, analysts, or other members of the Market Mindset community.

You acknowledge and agree that:

- Any information, insights, feedback, or opinions shared by Representatives are provided for educational and informational purposes only and do not constitute financial, investment, or trading advice.
- Representatives do not provide personalised financial advice, and no communication should be interpreted as a recommendation or instruction to take any specific trade or financial action.
- All decisions made based on interactions within the community are made solely at your own risk and discretion.
- Market Mindset is not responsible for any actions, outcomes, or losses resulting from your interpretation or use of information shared by Representatives or other community members.
