

Diamond Trading – Terms of Service

All content, services, live streams, market commentary, and educational materials provided by Diamond Trading are for **educational and entertainment purposes only**.

Nothing shared constitutes financial, investment, legal, or tax advice. Diamond Trading is not a registered financial advisor, broker-dealer, or investment firm.

Trading involves substantial risk, including the potential loss of all capital. Past performance does not guarantee future results.

Users acknowledge full responsibility for all trading decisions and agree that Diamond Trading shall not be liable for any losses, damages, or outcomes resulting from use of the services.

No Refund Policy:

All sales are final. No refunds, credits, or exchanges will be provided under any circumstances, including failure to cancel a subscription.

By accessing or purchasing any Diamond Trading services, you acknowledge that you have read, understood, and agreed to these Terms of Service in full.
