1. Digital Products & Subscriptions (No Refunds)

Bulls Corner Premium provides immediate access to digital educational materials and community access upon purchase or subscription activation.

Because access is granted instantly, all sales are final once a billing period has been processed. We do not offer refunds for digital products or subscription charges after payment is completed.

2. Free Trial Responsibility

If a 7-day free trial is available, it is your responsibility to cancel before the trial ends if you do not wish to be charged.

Failure to cancel before the trial ends will result in an automatic paid subscription renewal, and no refunds will be issued.

3. No Partial Refunds

We do not provide partial refunds for unused time, missed sessions, inactivity, or dissatisfaction with results.

4. Cancellations

You may cancel your subscription at any time through your Whop account (app or website). Cancellation prevents future renewals but does not reverse charges already processed.

5. Chargebacks

Chargebacks are not a substitute for requesting support. If you initiate a chargeback for a valid charge, we may immediately revoke access to the Services and contest the dispute with evidence of access and delivery.

6. Contact

If you believe you were charged in error, contact us at bullscorner21@gmail.com as soon as possible.
