

Return Policy

Due to the digital nature of the Full-Time Blender3D Blueprint, all sales are final. 1. No Refunds: Once you gain access to the course material, no refunds will be issued. 2. Eligibility: Refunds are only considered if the course was not delivered or if access was never granted due to technical error on our end. 3. Misunderstood Expectations: Learning outcomes vary based on individual effort. Refunds will not be granted due to lack of perceived results, effort, or misunderstanding of content. 4. Chargebacks: Unauthorized chargebacks will be disputed. Evidence of access and delivery will be submitted to payment processors. 5. Support: If you are unsatisfied or have trouble accessing content, reach out first—we're here to help and resolve issues quickly.
