- You are not restricted from using Discord, Whop, or TradingView under any applicable law or platform policy.

- You will maintain, at your sole cost and risk, all devices, software, and internet access required to use the Services.

III. PROHIBITED CONDUCT

- Promote, offer, sell, or advertise products or services without prior written permission from QuantRX.
- Transmit spam, unsolicited promotions, affiliate links, or unauthorized advertisements.
- Access the Services via automated means (bots, scrapers, spiders) except where explicitly permitted by QuantRX in writing.
- Attempt to disrupt, overload, or impair the Services in any way.

- Share your Discord account, TradingView account, or membership credentials with any other person for any reason.
- Allow any third party to access QuantRX content, channels, or indicators using your login or credentials.
- Purchase a single membership for use by multiple individuals. Each person must have their own active subscription.

- Resell, transfer, sublicense, or grant any other person access to your membership or indicator access.

■ Account sharing discovered at any time will result in immediate termination of all access without refund and may result in legal action for breach of license.

- Create a new Discord account, Whop account, or TradingView account to circumvent a ban or removal.
- Purchase a new membership after being banned or removed for a Terms violation.
- Ban evasion results in immediate removal of all accounts found, permanent ban, and forfeiture of all payments with no refund eligibility.

- Use the Services in any unlawful manner or in violation of any securities, commodities, digital asset laws, or regulations.
- Post misleading, fraudulent, or manipulative content of any kind.
- Facilitate, encourage, or coordinate violations of these Terms by others.

IV. OWNERSHIP & LIMITED LICENSE

QuantRX grants you a limited, revocable, non-transferable, non-sublicensable license to access and use the Services solely for your personal, non-commercial use, subject to these Terms. All rights not expressly granted are reserved by QuantRX, including all intellectual property rights in our branding, indicators, scripts, tools, educational materials, and server structure.

Upon termination of your access for any reason, you must immediately cease using all proprietary materials obtained through the Services and delete any copies in your possession.

If you submit ideas, suggestions, feedback, or content to QuantRX, you grant QuantRX a worldwide, perpetual, irrevocable, royalty-free right to use, reproduce, modify, adapt, publish, and commercialize that submission for any purpose, without additional compensation to you.

V. PURCHASES, MEMBERSHIPS & REFUNDS

QuantRX offers Digital Goods including subscription memberships, indicators, scripts, tools, educational materials, and access to private Discord channels or TradingView scripts.

Delivery of Digital Goods is deemed complete immediately upon any of the following: (a) access being granted to Discord channels, roles, or servers; (b) access being granted to TradingView indicators or scripts; (c) access being granted to any downloadable or viewable content. Once access is granted, Digital Goods are considered fully delivered.

QuantRX offers a 7-day review window from the date of the original charge. To request a refund, you must:

- Submit a support ticket in #tickets in the QuantRX Discord within 7 calendar days of the charge date.
- Provide your Whop order confirmation and a clear explanation of the issue.
- Have NOT initiated a chargeback or payment dispute — doing so automatically voids all refund eligibility.
- Have an account in good standing (no Terms violations, bans, or prohibited conduct).

■ No refund will be issued if any of the following apply:

- TradingView indicator access was granted and the indicators were viewed or used at any point.
- The request is submitted after 7 calendar days from the charge date.
- A chargeback or payment dispute has been initiated for any reason.
- The account has been removed, banned, or suspended for a Terms violation.
- The refund request is for a renewal charge that was not cancelled at least 24 hours before the renewal date.
- The account has been found sharing credentials or engaging in ban evasion.
- The request is based solely on trading losses, market conditions, or dissatisfaction with trading outcomes.
- The request cites personal reasons unrelated to QuantRX service delivery.

■ Initiating a chargeback or payment dispute for legitimately delivered Digital Goods is a violation of these Terms.

By purchasing from QuantRX, you authorize QuantRX to submit the following evidence to the payment processor in the event of a chargeback or dispute:

- Whop purchase confirmation and timestamp
- Discord access logs including join date, role assignment, and channel activity
- TradingView indicator access records and grant timestamps
- IP address logs confirming active service usage
- Message history and ticket records within the Discord server
- Screenshot or log evidence of any agreed terms (I Agree button click record)

QuantRX reserves the right to pursue recovery of chargeback fees, processing fees, and legal costs from members who initiate fraudulent disputes.

Access to all Services is contingent on compliance with these Terms. Violation of any provision is grounds for immediate revocation of access without refund. Cancellation of a subscription results in access continuing until the end of the current paid billing period, after which access is revoked. No partial refunds are issued for unused time within a billing period.

VI. NO FINANCIAL ADVICE — EDUCATIONAL USE ONLY

■ QuantRX is an educational and informational community. Nothing in the Services constitutes financial, investment, legal, tax, or accounting advice.

- We do not provide personalized investment advice.
- Content may include general education, chart commentary, market discussion, hypothetical examples, and opinion.
- You are solely responsible for all trading decisions, risk management, and financial outcomes.
- Past results shown in the community, whether live or hypothetical, are not indicative of future results.
- You should consult a licensed financial professional before making any trading or investment decisions.

VII. HYPOTHETICAL PERFORMANCE DISCLAIMER

CFTC RULE 4.41: Hypothetical or simulated performance results have inherent limitations. No representation is being made that any account will or is likely to achieve profits or losses similar to those shown. Hypothetical results are often prepared with the benefit of hindsight and do not involve actual financial risk. Actual results may differ materially from hypothetical results.

Any win rates, performance statistics, screenshots, backtests, or testimonials shown within the Services are not guarantees of future performance and may be hypothetical, simulated, or selectively presented.

VIII. DISCLAIMER OF WARRANTIES

THE SERVICES ARE PROVIDED ON AN 'AS IS' AND 'AS AVAILABLE' BASIS WITHOUT WARRANTIES OF ANY KIND. To the maximum extent permitted by law, QuantRX disclaims all express, implied, and statutory warranties, including merchantability, fitness for a particular purpose, and non-infringement. We do not warrant that the Services will be uninterrupted, error-free, secure, timely, or accurate.

QuantRX is not responsible for any service interruptions, downtime, or access issues caused by third-party platforms including Discord, Whop, TradingView, or any payment processor.

IX. LIMITATION OF LIABILITY

To the maximum extent permitted by law, QuantRX and its owners, admins, moderators, contributors, contractors, and affiliates shall not be liable for any indirect, incidental, special, consequential, punitive, or exemplary damages, including lost profits or trading losses, arising from or related to your use of the Services.

If liability is found notwithstanding the above, QuantRX's total aggregate liability shall not exceed the greater of: (a) the amount you paid to QuantRX in the most recent one (1) month for the Services at issue, or (b) \$250. Some jurisdictions do not allow certain limitations, so parts of this section may not apply.

X. INDEMNIFICATION

You agree to indemnify, defend, and hold harmless QuantRX and its owners, admins, moderators, contributors, contractors, and affiliates from any claims, liabilities, damages, losses, and expenses (including reasonable attorney's fees) arising from or related to: (a) your use of the Services; (b) your violation of these Terms; (c) your violation of any law or third-party right; or (d) your content or conduct within the Services.

XI. MODIFICATIONS TO SERVICES

We may modify, suspend, or discontinue any part of the Services at any time, including features, channels, tools, content, pricing, or access rules. Changes are effective immediately upon implementation or notice. We are not liable for any impact such changes may have on you. Continued use of the Services after changes constitutes acceptance of those changes.

XII. CONSENT TO RECORDING

QuantRX may host events, calls, live sessions, streams, or recordings. By participating, you consent to the possibility that your voice, username, text, or likeness (as applicable) may be recorded and used for educational, operational, or marketing purposes, unless prohibited by applicable law.

XIII. GOVERNING LAW & DISPUTE RESOLUTION

These Terms shall be governed by the laws of the State of Utah, United States, without regard to conflict-of-law principles. Any dispute shall be brought exclusively in the state or federal courts located in Uintah County, Utah, and you consent to personal jurisdiction in those courts.

Before filing any legal claim, you agree to first contact QuantRX via #tickets in Discord and attempt to resolve the dispute informally for a period of at least 30 days.

XIV. SEVERABILITY, ENTIRE AGREEMENT & NO WAIVER

If any provision of these Terms is found unenforceable, the remaining provisions will remain in full force and effect. These Terms constitute the entire agreement between you and QuantRX concerning the Services and supersede all prior communications. Failure to enforce any provision is not a waiver of the right to enforce it later.

XV. CONTACT

For all questions, support requests, and refund submissions, contact QuantRX exclusively through #tickets in the QuantRX Discord server. Do not send legal notices to personal email addresses — only Discord ticket submissions are monitored and accepted.
