## 10. Copy Trading & Big Bundle Terms

By participating in the Crypto Archie Copy Trading Group or purchasing the Big Bundle, you acknowledge and agree to the following:

- **Profit Share:** A standard 15% profit share is applied automatically to all profits generated through the Copy Trading service on BloFin. This fee is industry standard and disclosed in BloFin's Terms of Service upon activation.
- **Investment Risk:** Cryptocurrency trading involves significant risk, including potential loss of all invested funds. You should only invest what you are willing to lose.
- **Default Settings:** We recommend maintaining the default copy trading settings, including leverage. Adjusting these settings, particularly by increasing leverage, may result in earlier stop-outs or higher risk exposure.
- **No Guarantees:** Past performance does not guarantee future results. There is no assurance that trades or strategies will yield profits or prevent losses.
- **Liability:** Neither Crypto Archie nor its affiliates shall be held liable for any direct or indirect losses resulting from copy trading participation or related investment decisions.
- **Non-Refundable:** As this service provides immediate access to live trading activities and private information, all sales are final and non-refundable.

## 11. Course Content

All course materials, reports, and related content are provided for educational and informational purposes only and do not constitute financial, investment, legal, or tax advice. Cryptocurrency markets are highly volatile and carry significant risk, including the potential loss of capital. We make no guarantees of profitability, performance, or specific results. You are solely responsible for your own financial decisions and should conduct your own research before acting on any information provided.

Due to the digital nature of the course and the fact that full access is granted immediately upon purchase, all sales including early access and waitlist purchases are final. No refunds or exchanges will be provided.
