These Terms of Service ("Terms") govern your access to and use of the research, community, and digital content services provided by **dolphin nebula LLC**, a Wyoming limited liability company (the "Company").

1. Definitions and Scope

For the purposes of these Terms, the "Service" refers collectively to all content, community access, and digital products delivered under the brand **The Kook Letter** (also referred to as **Kook Letter** or **KookLetter**). This includes, but is not limited to:

- **The kook Persona & Team:** Any research or commentary issued under the @KookCapitalLLC pseudonym, by the individual known as **kook**, or by any writers, researchers, or contributors affiliated with the Service.

By subscribing to or accessing the Service, you agree to be bound by these Terms.

2. No Financial Advice

The Service provides market research, educational content, and personal commentary regarding cryptocurrency, equities, and macroeconomics.

- **Not a Financial Advisor:** Neither the Company, **kook**, nor any affiliated writers or contributors are registered financial advisors, investment consultants, or broker-dealers.
- **Informational Purpose:** All information shared via the Service is for informational and educational purposes only. It does not constitute a recommendation to buy, sell, or hold any security or digital asset.
- **Execution Risk:** You are solely responsible for your own financial decisions. Trading involves a high risk of loss. The Service does not guarantee any specific outcome or profit.

3. Community Conduct

To maintain the integrity of the Alpha Hub, harassment, spamming, or the promotion of outside services is strictly prohibited. **kook** and the team reserve the right to remove any member who disrupts the community or violates these standards without a refund.

4. Intellectual Property

All research, charts, and commentary provided within **The Kook Letter** are for the sole use of the subscriber. Unauthorized redistribution, "leaking," or sharing of private content is a violation of these Terms and will result in an immediate, permanent ban.

5. Nature of Service

While we strive for consistency, the frequency of updates and research posts may vary based on market conditions. The Service is provided on an "as-is" and "as-available" basis.

6. Refund Policy

Due to the digital nature of the content and the immediate delivery of market research, all sales are final. No refunds will be issued.

7. Governing Law

These Terms are governed by the laws of the State of Wyoming. Any disputes shall be resolved in the courts located in Wyoming.
