SUBSCRIBER TERMS & CONDITIONS

Effective Date: April 2025 | Alberta, Canada

1. INTRODUCTION

Welcome to Ticket Tossers Ltd. We fight traffic tickets. We start every new subscriber relationship with a contract. The following contract spells out what you can expect from us, and what we expect from you. If you agree to what you read below, you should click or check off "Yes" at the end of the contract to acknowledge that you have agreed. We intend this to be the legal equivalent of your signature on a written contract, and equally binding. Only by clicking or checking "Yes" will you be able to access and use the services available under the subscription agreement.

2. ACCESS AND SERVICES

Your access to the various services available on this system depends on the level of access you select as your plan. You may change or discontinue your account at any time. There may be fees associated for discontinuing your account which will be outlined below.

3. THE SUBSCRIPTION AGREEMENT AND MODEL

For a monthly fee or annual, we provide unlimited services to assist you with your traffic tickets in court, through negotiations and possibly trials. This service will include any Traffic Tickets issued by a Police officer directly to you if you were to be pulled over or a Mandatory court appearance for photo radar tickets. The list of possible offenses can be found at <https://tickettossers.ca/demerit-list>

Additionally, we will also assist in fighting photo radar tickets to the best of our abilities. However, photo radar tickets are not a service we guarantee that a Court Crown Prosecutor or an Alberta Court of Justice will waive or reduce the fine. Furthermore, we will offer services such as not letting you go into a license suspension.

We will only fight traffic tickets that you have incurred after the day of sign-up. If you have traffic tickets from before signing up they will not count towards the subscription services.

4. FEES AND PAYMENT

We will charge you a standard monthly fee or annual based on the plan you have selected + GST. You will be allowed to pay by credit card or debit card when you sign up. You can cancel your account at any time, but you will remain liable for all charges accrued up to that time including full monthly charges for the month for which you discontinued service.

Early Cancellation Fee: If you cancel your payment before the billing cycle ends and you have already used our services within that annual billing cycle, you will be charged a break fee of **\$500 + GST**. If you have not used our services within the annual billing cycle then there shall be NO break fee.

Additionally, we reserve the right to deduct the difference of your subscription fees to date and the value of the service that was to be provided in the subscription agreement.

5. SYSTEM RULES

You agree to be bound by certain rules that are important for the proper use of this service. Your failure to follow these rules, whether listed below in the contract or in bulletins posted at various points in the system, may result in the termination of your service.
