- Use the software, our AI endpoints, or data structures to build a competitive product or service.
- Engage in automated data scraping, API abuse, or any activity that imposes an unreasonable load on our servers.

3. Intellectual Property Rights

BAK GROUP retains all rights, title, and interest in and to the software, including all copyrights, patents, trade secrets, trademarks, and other intellectual property rights. This EULA does not grant you any ownership rights to the software or any of its updates, custom deployments, or modifications.

4. Termination

This license is effective until terminated. Your rights under this EULA will terminate automatically and immediately without notice from BAK GROUP if you fail to comply with any term of this agreement.

- **Fraud & Abuse:** Any suspected fraudulent activity, including the use of stolen payment methods or initiating unwarranted bank chargebacks, will result in immediate license termination.
- Upon termination, your access to all BAK GROUP dashboards, AI tools, and servers will be permanently revoked, and you must cease all use of the software.

5. Disclaimer of Warranties

The software and enterprise solutions are provided "AS IS" and "AS AVAILABLE," without warranty of any kind.
