📄 End User License Agreement (EULA)

Effective Date: *12/9/2025*

This End User License Agreement ("Agreement") is a legal contract between the purchaser ("User", "Subscriber", "You") and ***Next Level Solutions LLC*** ("We", "Us", "Provider") governing the use of our trading scripts, indicators, signals, and digital products.

By purchasing, accessing, installing, or using any of our software/tools, you agree to be legally bound by the terms in this Agreement.

---

1. License Grant

Upon purchase, the User is granted a **limited, non-exclusive, non-transferable, revocable license** to use the purchased trading software/indicators/scripts for **personal use only** on approved platforms (e.g., TradingView).

You are **not acquiring ownership** — only a right to use.

---

2. Ownership

All scripts, source code, strategies, signals, automation tools, content, media, and related intellectual property remain the sole property of ***Next Level Solutions LLC.***

You do **not** own the software — you are only renting access under the terms of this agreement.

---

3. Restrictions

You may **NOT**:

- Share, resell, redistribute, or transfer access to anyone
- Copy, clone, edit, modify, or decompile the code
- Reproduce the indicator/script for resale or public use
- Post, publish, leak, or distribute any script or source code
- Use for commercial sale unless granted explicit written permission
- Use the script to create competing or derivative products

Violation may result in **immediate termination of access** with no refund and **possible legal action**.

---

4. Subscription Terms

If you are accessing via subscription:

- Access remains active **only while your subscription is paid and current**

- Cancellation stops future billing, **not prior charges**

- When subscription ends, access to indicators/tools will be **revoked**

---

5. No Investment Advice

The software is provided for **educational use only**.
It is **not** financial, investment, or trading advice.

You are solely responsible for decisions made using our tools.

---

6. Risk Disclosure

Trading futures, forex, crypto, and leveraged assets involves substantial risk.
Past performance **does not guarantee future results**.

Use at **your own risk**.

---

7. No Warranty / "As-Is" Software

The software is provided **as-is** without warranties of any kind.
We do not guarantee profitability, accuracy, uptime, or performance.

We are not responsible for:

- Trading losses

- Platform downtime

- Missed signals or failed automation

- Slippage, technical issues, webhook errors

- Market changes, volatility, or execution behavior

---

8. Limitation of Liability

Under no circumstances shall we be liable for:

- Financial losses or lost profits

- Damages resulting from system failure or errors

- Any trading decisions made using our indicators or signals

Your usage = **you accept all risk**.

---

9. Termination

We reserve the right to terminate your license without notice for:

- Unauthorized sharing or redistribution

- Chargebacks, fraud, or policy violations

- Attempting to reverse-engineer or copy code

- Abuse or misuse of access

No refunds will be issued upon termination for violation of terms.

---

10. Updates & Changes

We may update scripts, features, terms, or access conditions at any time.
Continued use constitutes acceptance of any changes.

---

11. Governing Law

This Agreement is governed by the laws of ***[State of TEXAS]***.
Any disputes will be resolved in courts under that jurisdiction.

---

12. Acceptance

By accessing or using our software/products, you confirm that:

✓ You have read and understood this EULA

✓ You accept all terms, risks, and limitations

✓ You agree to use the product legally and responsibly
