

## Privacy Policy for LERSER Secure

Last Updated: April 13, 2026

This Privacy Policy describes how your personal information is collected and used when you purchase and use LERSER Secure.

### 1. Information We Collect

We collect limited information necessary to fulfill your order and provide support:

- Order Information: When you purchase via Whop, we receive your name and email address to deliver the product and send critical updates.
- Support Communication: If you contact us via email, we collect your email address and any information provided in your message.

### 2. The "No-Access" Guarantee (AI Secrets)

LERSER Secure is designed to run in your own infrastructure.

- API Keys: We do not have access to, store, or process your AI API keys (e.g., OpenAI, Anthropic, Gemini). These secrets remain strictly within your own environment (Vercel, Firebase, etc.).
- User Data: We do not collect or store any data from the end-users of the applications you build with this boilerplate.

### 3. Third-Party Processors

We use third-party services to operate our business:

- Whop: For payment processing and digital product delivery.

Please refer to the privacy policies of these providers for information on how they handle your data.

### 4. Data Retention

We retain your purchase information (email) for as long as necessary to provide you with access to the product and updates, or to comply with legal and tax obligations.

### 5. Your Rights

Depending on your location, you may have the right to access, correct, or delete the personal data we hold about you. To exercise these rights, please contact us at the email provided below.

### 6. Changes to This Policy

We may update this Privacy Policy from time to time. Any changes will be posted on this page with an updated "Last Updated" date.
