

RETURN & REFUND POLICY — The Oracle | Ai Predictive Sports

All Sales Are Final

Due to the digital, time-sensitive nature of The Oracle's services, **all sales are final** once access is granted. We do not offer refunds, returns, exchanges, or credits for any reason, including but not limited to lack of use, missed content, or misunderstanding of service delivery.

Digital Access

Upon purchase, subscribers receive immediate access to proprietary digital content delivered through the official Telegram channel. Once access is provided, the service is considered fully delivered.

No Chargebacks or Disputes

By purchasing The Oracle, you agree not to initiate chargebacks or payment disputes. Unauthorized chargebacks may result in immediate termination of access and potential account restriction.

Exceptions

Refunds or credits will **only** be considered if required by applicable law or in cases of verified technical failure that prevents access to the service and cannot be resolved.

Responsibility to Review

Subscribers are responsible for reviewing:

- The product description
- Terms of Service
- Delivery method (Telegram via Whop link)

prior to completing purchase.

Policy Updates

The Oracle reserves the right to modify this Return & Refund Policy at any time. Continued use of the service constitutes acceptance of any changes.
