No Refund Policy — Digital Educational Products

All products and programs offered by Baron Trading LLC are digital educational services. Due to the immediate access to proprietary materials, community platforms, and intellectual property, all sales are final and non-refundable.

Upon enrollment in the Mentorship Program, participants receive immediate access to the Beginner and Intermediate Courses (combined value: \$500), along with other protected materials. By completing your purchase, you acknowledge that access to these materials constitutes delivery of the service, thereby waiving any right to a refund.

We do not provide:

- Full refunds
 - Partial refunds
 - Prorated refunds
 - Exchanges or transfers
-

Payment Plans

If a payment plan is selected, you are contractually obligated to complete all scheduled payments. Failure to complete payments does not cancel the remaining balance owed.

Baron Trading LLC reserves the right to:

- Suspend or revoke access for missed payments
 - Send unpaid balances to collections where permitted by law
 - Pursue recovery of fees associated with failed payments
-

Chargebacks & Payment Disputes

By purchasing, you agree not to initiate chargebacks or payment disputes without first contacting our support team.

Any chargeback, dispute, or payment reversal will result in:

- Immediate termination of access to all programs, communities, and materials
- Revocation of your license to use our content

- Submission of evidence (including this policy and access logs) to WHOP and the payment processor
- Potential restriction from future purchases

Fraudulent chargebacks may be pursued to the fullest extent permitted by law.

Failed or Reversed Payments

If a payment is declined, reversed, or returned:

- Access may be suspended immediately
 - Access will not be restored until the issue is resolved
 - Payment plan obligations remain in effect
-

Acknowledgment

By completing your purchase, you confirm that you have read, understood, and agreed to this Refund Policy.
