## Return/Refund Policy

Due to the nature of our services and the immediate access provided upon purchase, all sales are final.

Once access to our server, content, or community has been granted, no refunds will be issued under any circumstances. This policy is in place to protect the proprietary information, strategies, and intellectual property shared by our cappers.

By completing your purchase, you acknowledge and agree that:

- You are receiving instant access to exclusive content and insights.
- All information provided within the server is considered intellectual property.
- Refunds, chargebacks, or payment disputes will not be honored after access has been granted.

In rare and extreme circumstances, refund requests may be reviewed at the sole discretion of the owner. Approval of any such request is not guaranteed.

If you experience any technical issues accessing the server, please contact support and we will ensure your access is properly delivered.
