

Refund Policy

All sales are final.

There are no refunds for:

- 1-on-1 consulting calls
- Mentorship sessions
- Digital course purchases

However, we stand behind the value of our program.

If you actively participate for a full 30 days, complete the required steps, implement the strategies, ask questions, and genuinely follow the instructions provided — and still see no results — you may request a refund after the 30-day period.

We will review your activity and progress. If you clearly implemented everything as instructed, you will receive your money back.

Refunds will NOT be granted if you were inactive, did not complete the material, did not implement the strategies, did not ask for support, or did not follow the guidance provided.

Results require effort and execution. This program works when it is applied.

By purchasing, you agree to these terms.
