
InTheMoney Premium Trial & Refund Policy

7-Day Free Trial

New subscribers receive a **7-day free trial** beginning on the date of sign-up. During the trial period, you may cancel at any time to avoid being charged.

Billing After Trial

If you do not cancel before the trial ends, your subscription will automatically convert to a paid subscription and **your payment method will be charged** for the selected plan.

No Refunds After Trial

Because every new subscriber has a full **7 days to evaluate the service at no cost**, **all sales are final once the trial ends and a paid charge is processed**.

This means we do **not** provide refunds for:

- Forgetting to cancel
- "I meant to cancel"
- Accidental purchases
- Not using the service after the trial
- "This wasn't what I expected" (after the trial period)

How to Cancel

You can cancel your subscription directly on Whop at any time or reach out to whop support to help with cancellations.

Exceptions

Refunds may be considered only in rare cases such as:

- Duplicate charges caused by a billing error, or
- Fraudulent transactions (subject to verification)

Acceptance

By starting the free trial and/or continuing into a paid subscription, you acknowledge and agree to this Trial & Refund Policy.
