

Privacy Policy (GDPR-Compliant)

Last updated: 1st December 2025

1. Data Collected

We collect the following information when you interact with JP7FX:

- Email address
- TradingView username
- Whop payment and subscription logs (Whop/Stripe handles all card details)
- Website analytics data (non-identifiable)

2. How Data Is Used

Data is used for:

- granting TradingView access
- billing, authentication, and subscription management
- customer support
- notifying users about updates or changes

We do **not**:

- sell data
- trade data
- use data for advertising

3. Data Storage

Data is stored securely through:

- Whop
- TradingView
- Website hosting providers

No payment card details are stored by JP7FX.

4. Legal Basis (GDPR)

We process data under:

- Legitimate Interest
- Contractual Necessity
- User Consent

5. Data Sharing

Your data may be shared only with:

- Whop (payment & access automation)
- TradingView (granting indicator access)
- Legal authorities if required by law

6. Data Retention

Data is kept only as long as needed to deliver your subscription and comply with legal requirements.

7. Your Rights

You may request at any time:

- data deletion
- correction of data
- access to your stored data
- cancellation of your subscription
