

Terms of Service (ToS)

1. Acceptance of Terms

By accessing our website and purchasing the "APEX FLOW" trading indicator (hereinafter referred to as the "Product" or "Software"), you agree to be bound by these Terms of Service. If you do not agree with any part of these terms, you must not purchase or use our Product.

2. Educational and Informational Purposes Only (No Financial Advice)

APEX FLOW is strictly a software tool designed to analyze market data. We are not financial advisors, registered investment advisors, or broker-dealers. All data, signals, alerts, and information generated by APEX FLOW are provided for educational and informational purposes only. Nothing provided by our Product or website constitutes financial, investment, legal, or tax advice. You are solely responsible for evaluating the merits and risks associated with the use of any information generated by the Product before making any investment decisions.

3. Assumption of Risk

Trading in financial markets (including but not limited to Forex, Cryptocurrencies, Stocks, and Commodities) carries a high level of risk and may not be suitable for all investors. Past performance of any trading system, methodology, or indicator is not indicative of future results. You acknowledge that there is a substantial risk of loss in trading, and you could potentially lose some or all of your initial investment. You agree that you are trading at your own risk.

4. Limitation of Liability

To the maximum extent permitted by applicable law, the creators, owners, and affiliates of APEX FLOW shall not be liable for any direct, indirect, incidental, consequential, or punitive damages, including but not limited to financial trading losses, loss of profits, data, or goodwill, arising out of your access to, use of, or inability to use the Product.

5. Indemnification

You agree to indemnify, defend, and hold harmless the creators of APEX FLOW from and against any and all claims, liabilities, damages, losses, costs, expenses, or fees (including reasonable attorneys' fees) that arise from your use of the Product or your violation of these Terms of Service.
