Last Updated: February 13, 2026

**This End-User License Agreement ("EULA")** is a legal agreement between you and Axen.

This EULA agreement governs your acquisition and use of our Axen software ("Software") directly from Axen or indirectly through an Axen authorized reseller or distributor (a "Reseller").

## Agreement Overview

Please read this EULA agreement carefully before completing the installation process and using the Axen software. It provides a license to use the Axen software and contains warranty information and liability disclaimers.

If you register for a free trial of the Axen software, this EULA agreement will also govern that trial. By clicking "accept" or installing and/or using the Axen software, you are confirming your acceptance of the Software and agreeing to become bound by the terms of this EULA agreement.

**Important:** If you are entering into this EULA agreement on behalf of a company or other legal entity, you represent that you have the authority to bind such entity and its affiliates to these terms and conditions. If you do not have such authority or if you do not agree with the terms and conditions of this EULA agreement, do not install or use the Software, and you must not accept this EULA agreement.

This EULA agreement shall apply only to the Software supplied by Axen herewith regardless of whether other software is referred to or described herein. The terms also apply to any Axen updates, supplements, Internet-based services, and support services for the Software, unless other terms accompany those items on delivery. If so, those terms apply.

Axen shall at all times retain ownership of the Software as originally downloaded by you and all subsequent downloads of the Software by you. It will also terminate immediately if you fail to comply with any term of this EULA agreement. Upon such termination, the licenses granted by this EULA agreement will immediately terminate and you agree to stop all access and use of the Software. The provisions that by their nature continue and survive will survive any termination of this EULA agreement.

Upon termination, you must:

- Immediately cease all use of the Software
