Platform: Whop, Inc. – <https://whop.com>

Overview

This End-User License Agreement ("Agreement") sets forth the terms under which users ("you" or "the user") may access and use any software tools, strategic frameworks, or proprietary digital assets provided as part of the 8-Figure Licence program.

By accessing or using any included platform, digital tool, or service, you agree to be bound by this EULA, the 8-Figure Licence Terms of Service, and any relevant third-party terms referenced herein.

License Grant

IAG Services FCZO grants you a non-exclusive, non-transferable, revocable license to access and use:

- Any internal dashboards, tools, or templates delivered as part of the 8-Figure Licence program
- Proprietary frameworks, scripts, or automations (if applicable)

Access is granted solely for internal business development purposes in connection with your active participation in the program. This license is valid for the duration of your active enrollment (typically 12 months) unless extended or terminated by IAG Services FCZO.

External Platforms & Ownership

Access to certain resources may be provided via external services. You may be required to accept additional terms and conditions for those platforms. Any third-party software used in connection with the program is governed by its own license agreement.

All proprietary software or tools provided by IAG Services FCZO are the intellectual property of IAG Services FCZO or its licensors. No ownership or resale rights are transferred through use.

Restrictions

You may not:

- Share, sublicense, rent, lease, or resell access to any software or frameworks provided
- Reverse-engineer, decompile, or attempt to extract the source code of any tools
- Use the tools for illegal, unethical, misleading, or unauthorised purposes
- Extract data or templates for use in third-party training or resale products

Violation of these restrictions may result in immediate termination of access and legal action.

Intellectual Property

All content, branding, data models, and platform architecture provided through the 8-Figure Licence remain the intellectual property of IAG Services FCZO or its licensors. You receive no ownership interest through use.

Any custom outputs or documents created by you using our frameworks may be used, edited, and commercialised by you—provided they remain within the bounds of this Agreement and applicable laws.

Consulting.com End-User License Agreement (EULA)

Termination

This license automatically terminates:

- Upon expiry of your 8-Figure Licence access period
- If IAG Services FCZO discontinues the relevant tool or feature
- If you violate any term of this EULA

Upon termination, all rights granted under this license will cease, and you agree to stop all use of the licensed materials.

Limitation of Liability

IAG Services FCZO does not guarantee the performance, uptime, or fitness for a specific purpose of any software, dashboard, or tool included in the program. These resources are provided as-is for strategic implementation.

Under no circumstances shall IAG Services FCZO be liable for indirect, incidental, or consequential damages arising from the use or misuse of any licensed content.

Governing Law

This Agreement is governed by the laws of the United Kingdom. Any disputes arising under this EULA shall be resolved exclusively through the courts of England and Wales.
